

## Salt Lake stadium gets FIFA 2-star status

The FieldTurf installation at the prestigious Salt Lake stadium was awarded FIFA 2-star certificate — the highest rating given by FIFA for any synthetic turf installation. Salt Lake stadium is the first stadium to achieve this feat in the entire SAARC region. FieldTurf was installed in August 2009 and was in constant use for various I-league matches and other tournaments.

## FieldTurf at NCFE — Ready to use

FieldTurf installed a multi-purpose, multi-sport artificial grass field at the National Center for Excellence, Bangalore. This injury-free, dust-free and more importantly, maintenance-free playground is loved by all the students and is extremely popular. Many Corporate and private teams even rent the field to enjoy the beautiful experience of playing on FieldTurf. For more pictures, please [click here](#).

## Cricket on Artificial Grass? It happens here...

The Po Kong Village Sports Center in Hong Kong turned into a world-class multi-sport center with the installation of FieldTurf. The state-of-the-art facility supports two full size football and rugby pitches with a cricket wicket in the middle. The stadium will be open for various sports tournaments and supporting training sessions round-the-clock.

## FieldTurf India Hall of Fame

International Fragrances, India has installed their FieldTurf lawn, way back in Oct, 2005 in their Mumbai office interiors. Architect Nitin Parulekar succeeded in creating a green office by using FieldTurf and also covering the concrete pillar with "processed" bark. A perfectly designed lawn, still is in use for team gatherings.

## Top Pics of the Month

FieldTurf lawn in the above picture, for sure, will top any coffee table book on the most beautiful lawns. The proud owner of the lawn, Mr. Allu Arjun, a renowned film star, opted to go for FieldTurf, because for its ever-green appeal.

Jains are against hurting any living creatures. Following the same doctrine, they have opted for artificial grass for a temple in Raska (Gujarat), But beyond the ideologies, FieldTurf installation has brought in a great beauty to the structure here.

FieldTurf artificial grass is being installed at Mr. Sawan Rayani's office in Ahmedabad for their sit-out area. The outcome is being liked by all .

## What Clients Say!!

- Mr. Hemanth**  
New Delhi

Prominent Landscape Architect

*"There are other artificial grass alternatives but just no one matches the quality and feel of FieldTurf."*
- Mr. Rakesh & Mahesh**

Clove Restaurant Hyderabad

*"The atmosphere and ambience FieldTurf has given to the terrace, is simply amazing...to die for. Any body whom we have shown the place, we haven't lost a single booking till date!"*
