

Global Academy (Mumbai)

Sports Surfaces that transform your school to World-Class!

Playgrounds, Children Playareas, Athletic Tracks, Indoor or Outdoor Sports...FieldTurf Tarkett provides sports infrastructure to make your school truly international!

FieldTurf Tarkett™

**Maintenance-Free (No Watering, Mowing, Fertilising) | Rugged Usage | Multi-Sport
Multi-Purpose | Estimated Life 15-20 Years | Fire-Retardant | Fade-Resistant**

FieldTurf Tarkett's next-generation artificial grass is just what you need to transform hard, dust bowls into 'permanent' lush green playgrounds.

360° Satisfaction!

Management is Happy!

- Enhances school brand image
- Adds a powerful dimension to the infrastructure

Parents are Happy!

- All-round Development
- World-class sports infrastructure at a tiny premium

Students are Happy!

- Multi-Sport usage
- Injury-free

For as little as Rs.100 per student per month*, you can have these world-class sports surfaces!

* Terms & Conditions apply.

Testimonials

"We have top-class buildings and labs, and we did not want our playground to be any less. We were so happy with the FieldTurf installation at our Gorai school that we installed it at our Panvel school also."

– Dr. Pillai, Director, Global Education Academy

"We have installed field turf, artificial grass at our Eurokids JayaNagar and JP Nagar centers. We have found this satisfying in term of parent's response and kids love to spend endless time on it. Thanks to FieldTurf."

– Mrs. Sauravi, Center Director, EuroKids
